

Thank you all for your interest in the Cryo-Em Workshop. Due to the limited space around the microscopes, the workshop is limited to 25 places, but the organizing committee is considering future trainings aiming at materials and CNPEM internals.

The selected candidates are named below, in alphabetic order, and will be contacted by email to confirm their interests until October 16<sup>th</sup>. The candidates on the waiting list will be contacted, if there are available spots, from October 17<sup>th</sup>.

### **Selected candidates (25)**
