

6th Brazilian

InterPore

Chapter Conference
on Porous Media

SPONSORSHIP PROPOSAL

Dear Mr./Ms.,

The [Brazilian Synchrotron Light Laboratory \(LNLS\)](#) of the [Brazilian Center for Research in Energy and Materials \(CNPEM\)](#) will hold the [6th Brazil Interpore Chapter Conference on Porous Media](#) from **7-9 August 2023** in Campinas-SP, Brazil.

The Brazil InterPore Chapter is the sixth of a series of successful meetings organized by the Brazilian chapter of the International Society for Porous Media. The first Brazillian Interpore Conference was held at the Brazilian National Institute of Pure and Applied Mathematics (IMPE) in Rio de Janeiro on October 19-21, 2014.

The scientific program is focused on advances in porous media research, methods, applications, and theory. It consists of plenary lectures with internationally recognized experts and several sessions of seminars on selected topics covering diverse scientific fields related to porous media.

This event aims to disseminate knowledge on porous media-related topics and strengthen the collaboration between the Brazilian interpore community and the Brazilian Synchrotron Light Laboratory by bringing together international and local specialists from the academy, industry, and experimental areas related to porous media research.

The Conference expects 250 delegates to attend and is an excellent opportunity for your company to interact with academic researchers and PhD students, scientists from industry, and specialists.

We cordially invite your company to announce products and services during the 6th Brazil Interpore Conference by choosing the sponsorship package that best fits your company's strategies and profile.

On behalf of the Organizing Committee

The 6th Brazil InterPore Chapter will take place at Sirius, located at the CNPEM campus in Campinas-SP, Brazil.
